National Tracking Poll \#2203078
March 12-14, 2022
Crosstabulation Results

Methodology:
This poll was conducted between March 12-March 14, 2022 among a sample of 2005 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender by age, educational attainment, race, marital status, home ownership, race by educational attainment, 2020 presidential vote, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

[^160]Table GR17_7: As you may know, the U.S. and several European countries have engaged in diplomatic negotiations with Russia, some of which are related to NATO. NATO is a security alliance which includes the United States and some European countries, and which provides mutual military defense to its members in response to an attack. Ukraine has previously expressed an interest in joining NATO.Now that Russia has invaded Ukraine, how much do you support or oppose the following potential compromises in exchange for Russia withdrawing from Ukraine?
Ukraine agrees to allow local governments in the Donbas region, a region in Eastern Ukraine that is partially controlled by Russian separatists, to have veto power over certain aspects of Ukrainian foreign policy, like Ukraine's decision to try to join NATO

Table GR30a: Here's some more information As you may know, the U.S. government has rejected Ukraine's request for NATO to impose a no-fly zone that could limit Russian warplanes' ability to support Russia's invasion of Ukraine. If a no-fly zone were imposed over Ukraine, NATO forces would patrol Ukrainian airspace to ensure that Russian aircraft do not enter Ukrainian territory, and would potentially enter into combat with Russian aircraft that do enter Ukrainian territory, increasing the risk of direct military confrontation between NATO (including the U.S.) and Russia.Based on what you know, how strongly do you support or oppose NATO imposing a no-fly zone over Ukraine?

Table GR30b: Here's some more information As you may know, the U.S. government has rejected Ukraine's request for NATO to impose a no-fly zone that could limit Russian warplanes' ability to support Russia's invasion of Ukraine. If a no-fly zone were imposed over Ukraine, NATO forces would patrol Ukrainian airspace to ensure that Russian aircraft do not enter Ukrainian territory, and would potentially enter into combat with Russian aircraft that do enter Ukrainian territory, increasing the risk of a direct war between NATO (including the U.S.) and Russia.Based on what you know, how strongly do you support or oppose NATO imposing a no-fly zone over Ukraine?
