National Tracking Poll \#2303198
March 31 - April 02, 2023
Crosstabulation Results

Methodology:
This poll was conducted between March 31-April 2, 2023 among a sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, gender, race, educational attainment, region, gender by age, and race by educational attainment. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table MCHE1: Have you ever delayed or avoided medical and/or dental care, including preventative care, due to the potential cost?

2 Table MCHE2: Do you approve or disapprove of the Affordable Care Act?
3 Table MCHE3: How much have you seen, read or heard about a federal judge in Texas striking down a provision in the Affordable Care Act that requires free coverage for preventive care services, including cancer screenings and mental health checks?

4 Table MCHE4: As you may know, a federal judge in Texas struck down a provision in the Affordable Care Act that requires no-cost preventive care services, including cancer screenings and mental health checks, by issuing an injunction. This injunction would temporarily pause coverage for these no-cost services. Based on what you know, do you approve or disapprove of
this ruling?

5 Table MCHE5: Based on what you know now, do you expect you will have to delay or avoid medical and/or dental care, including preventive care, due to the potential cost after this injunction?16

6 Table MCHE6_1: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Cancer screenings

7 Table MCHE6_2: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? STI screening .

8 Table MCHE6_3: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? HIV screening .

9 Table MCHE6_4: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Prediabetes screening28

10 Table MCHE6_5: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Tobacco smoking cessation

11 Table MCHE6_6: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Screening for depression

12 Table MCHE6_7: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Unhealthy drug use screening37

13 Table MCHE6_8: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Cardiovascular disease prevention40

14 Table MCHE6_9: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Weight loss measures to prevent obesity-related morbidity and mortality43

15 Table MCHE6_10: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Hepatitis B and/or C screening46

16 Table MCHE6_11: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Mental health screenings for children or adolescents like anxiety and depression49

17 Table MCHE6_12: Consider the following health benefits currently covered by commercial insurance under the Affordable Care Act. If each of the following was no longer covered by commercial insurance, would you be willing to pay out of pocket for each? Physical health screenings for children and adolescents like dental or vision

18 Table MCHE7: As you may know, checks and balances ensure separate branches of government are empowered to prevent unilateral actions by other branches and that all branches share power. Based on what you know about the Texas judge's injunction, which of the following is closest to your opinion?55

19 Table MCHE8: Which of the following is closest to your opinion, even if none are exactly right? 58
20 Table MCHEdem1: Is your health insurance coverage acquired through the Affordable Care Act marketplace?61
21 Summary Statistics of Survey Respondent Demographics ..... 64

## Crosstabulation Results by Respondent Demographics

Table MCHE1: Have you ever delayed or avoided medical and/or dental care, including preventative care, due to the potential cost?

| Demographic | Yes, in the past six months |  | Yes, in the past year |  | Yes, more than one year ago |  | No, never |  | Total N |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Adults | 18\% | (389) | 16\% | (363) | 20\% | (443) | 46\% | (1006) | 2200 |
| Gender: Male | 16\% | (168) | 17\% | (182) | 17\% | (185) | 50\% | (534) | 1069 |
| Gender: Female | 20\% | (221) | 16\% | (181) | 23\% | (257) | 42\% | (470) | 1128 |

[^5]Table MCHE4: As you may know, a federal judge in Texas struck down a provision in the Affordable Care Act that requires no-cost preventive care services, including cancer screenings and mental health checks, by issuing an injunction. This injunction would temporarily pause coverage for these no-cost services. Based on what you know, do you approve or disapprove of this ruling?

| Demographic | Strongly approve |  | Somewhat approve |  | Somewhat disapprove |  | Strongly disapprove |  | Don't know / No opinion |  | Total N |
